TO THE PARENT OR GUARDIAN

As a parent/guardian of a student at Barrington High School, I am aware that my son/daughter is required to successfully complete a Senior Project in order to graduate with his/her class in June according to School Committee policy and section 5 of the Board of Regents' High School Regulations of 2003. If he/she fails to meet this graduation requirement, he/she will have the opportunity to do so after his/her classmates graduate and receive his/her diploma at a later date.

I fully understand that this project selection decision is made independently of the staff and administration of the high school, but is subject to approval. I understand that if the fieldwork is a product, it must be physically present at school as part of the Senior Board presentation. If the fieldwork is a service or activity, it must be documented by photos or a video. This project selection and approval is student and parent-centered.

I therefore assume all responsibility for any risks and costs that might be inherent in the project chosen.

Finally, I know that if my son/daughter decides to cheat on any draft or copy of his/her research paper, fieldwork, or portfolio, he/she will have to complete an entirely new project and submit a new portfolio no later than June 5 in order to be eligible to graduate with his/her classmates and receive his/her diploma on June 10 in accordance with School Committee policy and section 5 of the Board of Regents' High School Regulations of 2003.
