

World Languages Department
Spanish IV
2010 Required Summer Reading

All students entering Spanish IV in the new school year must read *Marianela* by Benito Pérez Galdós and complete the following assignment:

Read Chapters I through XII and respond to the comprehension questions for each chapter on pages 48-50 (*Sobre la lectura*). Answer each question in correct Spanish according to the text, but do not copy your responses. You will also write a reflection in Spanish in response to the discussion questions 1, 2, and 3 on p. 50 (*Para hablar en clase*). Each reflection should be 100 words.

When you return to class, you will be expected to discuss the characters and events of the novel in detail. There will be a test and an additional writing assignment to complete following the class discussion.

You will receive a copy of *Marianela*. It is your responsibility to bring this text to class when you return with your completed assignments. If you wish, you may purchase a copy of *Marianela* (ISBN 84-294-3433-X) from an online book seller. Make sure the edition is in Spanish.
