Dear Parent

Barrington High School Guidance Department is pleased to introduce the Family Connection from Naviance, a Web-based service designed especially for students and parents. Family Connection is a comprehensive website that you and your child can use to help in making decisions about courses, colleges, and careers. Family Connection is linked with Naviance Succeed, a service that we use in our office to track and analyze data about college and career plans, so it provides up-to-date information that's specific to our school.

Family Connection will allow you and your child to:

- **Get involved in the planning and advising process** – Build a resume, complete on-line surveys, and manage timelines and deadlines for making decisions about colleges and career.
- **Plan for post secondary success**—Set short and long term goals and complete tasks related to career, course and college planning
- **Research colleges** – Compare GPA, standardized test scores, and other statistics to actual historical data from our school for students who have applied and been admitted in the past

Family Connection also lets us share information with you and your child about up-coming meetings and events, local scholarship opportunities, and other Web resources for college and career information. In addition, the site includes a link that your child can use to send us an e-mail message. To visit our school's Family Connection site, use your Web browser to connect to:

www.connection.naviance.com/barringtonhs/

When you visit the site for the first time, please enter your personal registration code in the New User box and follow the on-screen instructions to create your own account. If you do not know your registration code, please contact the counseling office for assistance. Note that you and your child may each receive different registration codes, and that each code may be used only once. Once you have your own account, you will sign in using the user name and password you chose during the registration process.

We hope that you will find this resource helpful. If you have further questions about Family Connection please e-mail the Naviance help desk at bhnaviancehelp@bpsmail.org.
